From the Desk of Principal

With COVID 19 pandemic still threatening our lives, Tehatta Sadananda Mahavidyalaya valiantly carried forward its mission of imparting education to the students albeit the calamity. Responding to the need of the times and ensuring the safety of the students and staff members of the college, the institution carried out its activities in a blended mode. While competitions, quizzes and webinars were routinely arranged to stimulate the minds of the students in the online mode, many cultural programs and co-curricular activities were organised in the offline mode to provide a break from the boredom of lockdown times maintaining all the necessary health protocols. The aim was to preserve a balance between regular classroom teaching and co-curricular activities to enrich the minds of the students and boost their confidence during difficult times. As always, our students and staff members actively came forward and joined hands to once again emerge successfully notwithstanding the challenges that the pandemic times offered.

1st January, 22

An online quiz competition was organized on the very first day of 2022. Department of Mathematics was the main entrepreneur of the competition. The topic of the competition was Covid 19 & various governmental schemes for students. The Google Form link of the quiz was shared in the WhatsApp groups of students. many participants taken part in the contest.

4th March, 22

Basanta Utsav literally means the 'celebration of spring'. Falgun and Chaitra according to the Bengali calendar is the season of Dol Utsav. During this season nature shows its own beauty with colorful flowers of Palash, Shimul etc. The beautiful tradition of celebrating spring festival in Bengal was first started by Nobel Laureate Rabindranath Tagore at Visva-Bharati, Santiniketan. Actually, Basant Utsav is no different from

Holi, except for the gracefulness with which it is celebrated. Tehatta College also celebrates this festival of Rituraj Basant with great joy. After the cultural programme, the students enjoyed the festival of colors among themselves and with the respected teachers and staff. The main objective of organizing this event is to enjoy some joy in this life of suffering, establish good relationship between college authorities with students outside of traditional studies and examinations and maintain the eternal Indian tradition.

1st April, 22

World Health Day was celebrated in this college on 1st April 2022. Honorable Dr. Arnab Mukherjee of local Tehatta Health Center was the chief guest and keynote speaker of the event. Ancient Indian Ayurveda also states that health is paramount. The honorable speaker also addressed the audience on various topics related to health. A quiz competition and debate session on World Health Day was also organized for the students.

THE IDEA BEHIND

- By the end of 1970, the first Earth Day led to the creation of the United States Environmental Protection Agency. Earth Day 1990 gave a huge boost to recycling efforts worldwide and helped pave the way for the 1992 United Nations Earth Summit in Rio de Janeiro. It also prompted President Bill Clinton to award Senator Nelson the Presidential Medal of Freedom — the highest honor given to civilians in the United States — for his role as Earth Day founder.

The International day of Yoga was first observed on June 21, 2015. From then, International Yoga Day has become a global phenomenon, and it is now celebrated in over 190 countries. Yoga comes from an ancient land with culture in depth about the working of the human body and universe. To bring awareness among people about Yoga, the NSS Cell of this college organized a webinar on 21st June, 2021. The main speaker of the program was Mr. Somnath Goswami, Lecturer in Vivekananda Mission Ashram Training for the teachers of the visually impaired. Mr. Raja Nandi, Yoga Coach of SAI was present in the webinar as Yoga trainer. Regular practice of yoga enhances concentration and focus. The combination of physical postures, controlled breathing, and mindfulness techniques helps students develop better attention spans, leading to improved academic performance and productivity. That is why all of our students attended the program. Yoga is also a holistic exercise that strengthens and stretches the body. Through various asanas (poses), students improve flexibility, balance, coordination, and overall physical fitness. Regular yoga practice promotes a healthy lifestyle and fosters a positive body image.
