JULY TO DECEMBER 2022

PRINCIPAL'S DESK

With the dark cloud of COVID 19 being completely lifted and students and teachers joyfully returning back to regular classroom teaching in full swing, the present session was a period of a host of activities after a prolonged period of global anxiety. After the hiatus in regular classroom teaching, a much needed interactive meeting between students and teachers was organised to resume the positive relationship between them. The session also witnessed many wonderful cultural programs alongside departmental excursions which were heartily enjoyed by all especially after the lockdown times. The year was also special because it marked the 10th anniversary of foundation of the college which was celebrated with great gusto. The NSS unit of the college also played a major role in organising various awareness campaigns and encouraging students to participate in extra-curricular activities besides regular academic curriculum.

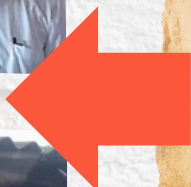

8TH JULY 2022

An interaction meeting was held between teachers and students before the commencement of 2nd semester Exam. Teachers delivered some important lectures about various aspects in which they need to be aware, students also pointed some of their problems. A student-teacher relationship in the classroom is a positive relationship between the teacher and the student in efforts to gain trust and respect from each other. This relationship may consist of getting to know your students better, providing choice and encouraging the students to become stronger learners everyday.

10TH AUGUST 2022

A campaign on Har Ghar Tiranga among students were conducted by the NSS Unit of our college. Lectures about Indian freedom struggle & the history & importance of our national flag were delivered by Teachers and students.
