Q20. Your overall academic experience.

- a) Excellent b) Very Good c) Good d) Fair

Q21. Would you recommend this college to others?

a) Yes b) No

Any suggestions and recommendations?

None

Feedback Analysis:

After analyzing the feedback data, the following conclusions have been drawn:

- 1)
 - A) The students are happy that the teachers communicate clearly with them.
 - B) The students are enjoyed with the fact that the teachers take classes regularly, cover the entire syllabus in time, and engage in the classes for the full duration.
 - C) The students are satisfied with the various events such as class tests, assignments, quizzes, and internal exams.
 - D) The students enjoy the behavior of the college administrative staff.
 - E) The students are happy with the scope to participate various cultural events organized by the college.
 - F) The students are satisfied with the sports facility in college.
 - G) Most of the students have an excellent overall college experience and they would suggest Tehatta Sadananda Mahavidyalaya to others for sure.

- 2)
 - A) The students demand improved facilities on laboratory, teaching aids, and ICT.
 - B) The students want more study material support.
 - C) The students are disappointed with the library book reading facility.
 - D) The students want improved health care service.
 - E) The students are not fully satisfied with the canteen, washroom, and parking facilities in the college.

Actions taken:

The following actions have been taken based on the analysis of the faculty feedback.

1. A special lecture series will be arranged to inspire the students of different streams.
2. The study materials and reference books of various subjects will be made available in the library.
3. The college is planning to start one or two new add-on courses from the next academic session.
4. The faculties are requested to make the teaching-learning process more interesting using updated teaching skills.
5. The construction of a new college building is going on and will be completed within few months.
6. The newly opened canteen staff are instructed/requested to improve the canteen facility.
7. The construction of new concrete road from main road to the college gate has been completed for smooth communication.
8. The IQAC coordinator frequently interacts with the students to know various issues faced by the students and supplies different information regarding facilities provided by the college.

Faculty feedback for the session 2018-19

Q1. The college campus is clean.

(কলেজ ক্যাম্পাস পরিচ্ছন্ন)

Q17. Whether the drinking water facility is satisfactory? (পানীয় জলের ব্যবস্থা সন্তোষজনক কিনা?)

Further suggestions:

1. The administration should try to make the transportation arrangements to reach this college more streamlined and request the college authorities to request the administration in this regard.
2. Try to increase the number of high benches and low benches.
3. A water filter is strongly needed. The college may apply for a filter from Akalpous Gram Panchayet. Cycle and motorcycle parking facilities are also primary requirements.

Feedback Analysis:

After analyzing the feedback data, the following conclusions have been drawn:

- 1) A) Most of the faculties are satisfied with the overall college environment.
B) The faculties get adequate time to finish the syllabus within a semester.
C) The faculties obtain adequate opportunities and support for upgrading their skills and qualifications.
D) The faculties have the freedom to adopt new techniques/strategies for academic improvement.
E) The faculties are free to organize seminars, workshops, symposia, and conferences. The faculty members could express their opinions freely.
- 2) A) Whereas, most faculties are not satisfied with the number of books in the library.
B) The faculties are not satisfied with the infrastructural facilities available in the college.
C) The faculties are disappointed with the students' pre-requisite knowledge for a subject to grasp the contents of the semester.
- 3) Maximum number of faculties are pleased with the toilet, and drinking water facilities while not happy with the canteen and parking facility.
- 4) Faculties suggest to increase number of classrooms.
- 5) Some faculties suggest that number of benches should be improved for smooth functioning of learning and evaluation processes.
- 6) Faculties demand more books are required in the college library.

Action Taken:

The following actions have been taken based on the analysis of the faculty feedback.

1. New parking space for all should be arranged very soon.
2. Some books for library will be purchased in the next academic session.
3. The college administration is planning to purchase laboratory equipment and a projector shortly.
4. IQAC and principal constantly encourage faculties to engage in research work.
5. A request will be sent to Akalpoush gram panchayet to arrange a water purifier for students.
6. Construction work of new college building will be completed soon, which sort out the problem of classroom deficiency.
