## The Brochure

The brochure features a light blue background with abstract blue and teal shapes. At the top left is the circular logo of Tehatta Sadananda Mahavidyalaya, established in 2013. The central graphic includes the text 'SAY NO TO RAGGING' above a cluster of colorful hands. Below this, the title 'ANTI-RAGGING AWARENESS PROGRAMME' is written in large, bold, orange letters. A blue-bordered box contains the event details: 'Date - 21/10/2022, Friday', 'Time - 1:30 pm', and 'Venue - Room No. - 206 (Smart Class Room)'. To the right, a yellow oval identifies the Chief Patron as Dr. Nilanjan De, Principal of Tehatta Sadananda Mahavidyalaya. A blue horizontal line separates the event details from a message: 'All Students of First Semester are requested to be present at the programme.' At the bottom, a light purple rounded rectangle states the event is organized by the Anti-Ragging Committee, with Dr. Pritam Das as the convenor. The name of the university is printed in large, red, outlined letters.

In the first session the speaker **Dr. Pritam Das, Assistant Prof. &HOD of Education Dept.,** Discussed the definition of blended learning and the various aspects of digital learning. He pointed out that in the period of COVID-19, the digital platform took a great place in the educational platform through online mode of education.

In the second session **Dr. Alokanda Ghosh, Assistant Prof. & HOD of the Geography Dept.** explained how digital education and the mode of blended learning could change the entire education system in the future as a blended learning approach can provide opportunities and flexibility necessary for the future of education. The speaker cleared all the doubts of the students at the end of the Session.

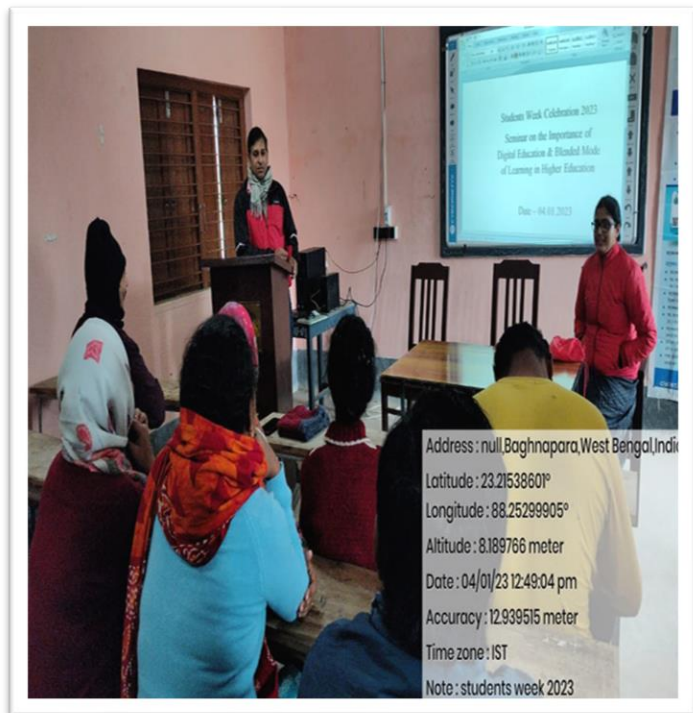

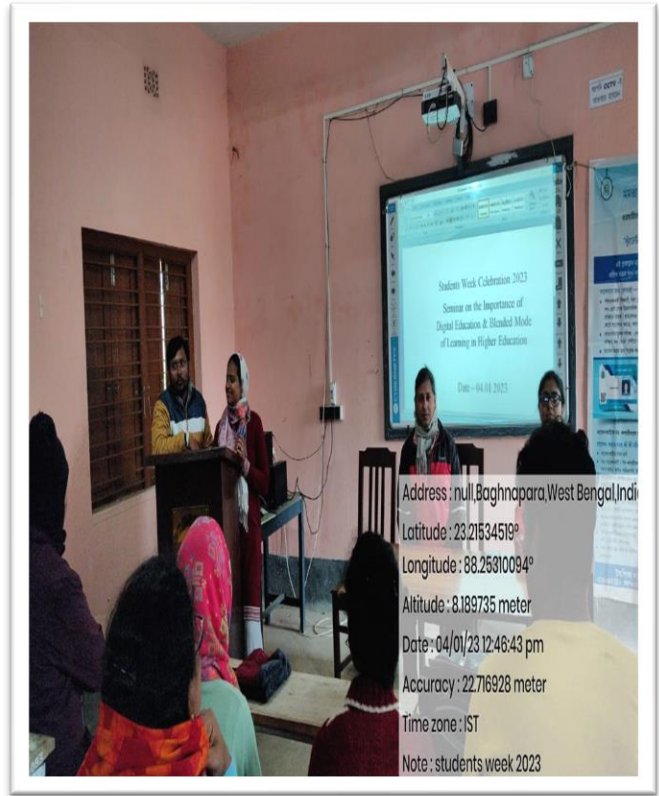

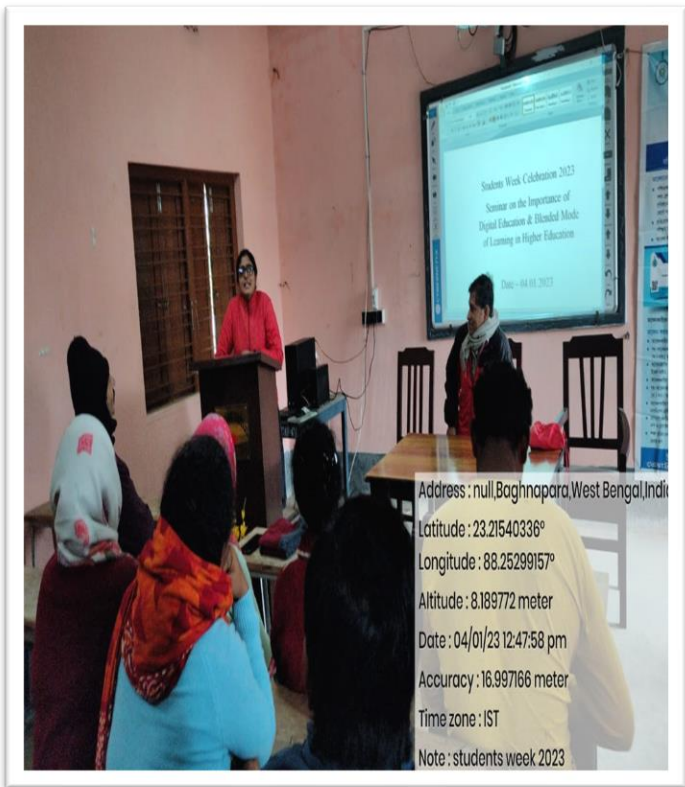

### Outcomes

It helped students to build skills for real-world settings, such as research skills, self-learning, and self-engagement, to develop a 'self-driving force', better decision-making, a better sense of responsibility, and computer literacy. It also impacted students' academic achievement in the experimental class compared with the control class.

	<p>Presentation. He said that it is a systematic process designed to help people search and identify the right professional path. A career coach or career counsellor guides professionals from varying fields, experience levels and backgrounds through career counselling sessions. These professionals have in-depth knowledge about the work environment of various fields. This information helped them provide good advice about different industries and careers. These professionals helped you to choose your career options and evaluated challenging workplace decisions.</p> <p>Dr. Ruchira Chanda, Assistant Prof. &amp; HOD of Bangla Dept. of Tehatta Sadananda Mahavidyalaya, share a brief information about various opportunity and scope in teaching profession, IT sector and many other fields related to career settlement in future life. At the last of the session a question answer session was held and the speaker answered all the queries of the student and share information related to the question.</p>
<p><b>Outcome</b></p>	<p>Many of our student were benefited from this seminar. They understood how a counsellor could help them for choosing the right way to make their career and it created interest among student to face the counsellor and they were very pleased after the counselling. They gathered anew knowledge form the seminar.</p>

A very humble inaugural session was conducted in the seminar hall in which the coordinator of IQAC Dr. Pritam Das explained in brief the purpose of the workshop. In the first session Dr. Sukanta Bhattacharya explained in details of the entire process of NAAC accreditation starting from registration of the HEI in the NAAC's portal to declaration of the result in the accreditation process by NAAC. In the second session the speaker explained in details about the Peer Team visit. He threw light on what the Peer Team wants to see and what the HEI needs to showcase before the Peer Team.

The last session was an open session where the speaker answered all the questions raised by the audience over the NAAC accreditation process.

### **Outcome**

During the NAAC visit, all participants were clear on what they needed to do. Each department showcased the work that they had already completed, and a progress report was submitted to the authority according to the criteria. Any problems were discussed and satisfactory answers were provided. The workshop was successfully conducted.

### ABOUT THE SEMINAR

In the era of Globalization, Indology is one of the widely studied and lending topic. The theme of Indology refers to the academic study of India, its people, and literature. It demands inter-disciplinary, multi-disciplinary and cross-disciplinary approach. Keeping that in mind, we have chosen the topic of this seminar.

So that everyone will be more enriched; in this subject. Once President Ramnath Kovind said in his speech that, "Indology enabled India to imbibe and assimilate modernity without letting go of its cultural roots. From Vidyasagar to Vivekananda and Tagore to Gandhi, one finds that the socio-cultural modernisation of India was built upon a foundation that emphasised an organic synthesis of the eastern and western thought". Remembering his note we are going to search our ancestral Heritage through the eyes of Rabindrahath. The eternal idea of Satyam-Shivam-Sundaram will help to us to search peace of mind. Some new concepts, new vision will definitely draw a bridge between east and the west

**Resource Person's  
(Specify the theme  
of lecture)**

**Dr. Deb Prakash Pahari, Senior Scientific Officer, Department of  
Geography, The University of Burdwan**

**Aims and  
objective**

Aims and Objectives:

- To make the audience familiar with the geo information system.
- To give a brief description of how we could access different fields of work with this system.
- How and when to apply this system.
- To give them details of the benefits of GIS.

**A brief  
Description of the  
Seminar**

A Geographic Information System (GIS) is a system of computer applications that can be used to display, manipulate, and analyse spatially varied information from multiple sources all in one place. Most often, the datasets used in a GIS are categorized into multiple categories for easier storage and use.

On 25th June 2023 at 11 A.M, the geography department organized a webinar titled "BASIC CONCEPTS AND APPLICATIONS OF GEOINFORMATICS" via Google Meet. The webinar was led by Dr. Alokanda Ghosh, NAAC Coordinator, and HOD of the geography department, Tehatta Sadananda Mahavidyalaya. The welcome speech was given by the chief patron of the event, Dr. Nilanjan De, Principal of Tehatta Sadananda Mahavidyalaya, and the inauguration ceremony was conducted by Shri Pranab Roy, President of Tehatta Sadananda Mahavidyalaya and an eminent social worker.

**Dr. Deb Prakash Pahari, Senior Scientific Officer, Department of Geography, The University of Burdwan, was the main speaker of the event. The program was divided into three sessions. In the first session, he elaborated on the basic concepts of Geo Information System (GIS). In the second session, the speaker clarified the application of GIS in various fields. Lastly, it was the question-answer session where the speaker answered all the questions raised by the audience and tried to clear all the doubts.**

## Outcome

During the webinar, students had the opportunity to enhance their knowledge and understanding of the Geo Information System and its role in controlling computer systems. They learned about the various applications of GIS and how it can be used in different fields. Many students expressed their interest in studying GIS to pursue a successful career. The seminar helped to develop the skills of the students.

## Certificate of the Seminar

The certificate features a decorative border with green and gold wavy patterns and floral motifs in the corners. At the top left is the circular logo of Tehatta Sadananda Mahavidyalaya, established in 2013. The main title 'TEHATTA SADANANDA MAHAVIDYALAYA' is in large blue letters. Below it, 'CERTIFICATED OF PARTICIPATION' is written in red underlined text. The central text reads 'THIS IS TO CERTIFY THAT' followed by the name 'Aditi Modak' in a blue cursive font. Below the name, it states: 'Students of 2nd Sem ,has participated in the webinar on 'Basic Concept and Applications of Geoinformatics' held on 25.06.23 organised by Geography Department of Tehatta Sadananda Mahavidyalaya.' At the bottom, there are two signature lines. The left one is for the HOD of Geography & NAAC Coordinator, and the right one is for the Principal. A green ribbon seal is placed between the two signatures.

## One Day State Level Seminar on Emerging Pollutants

Seminar Details	
<b>Organized by</b>	<b>Education Department Collaboration with Internal Quality Assurance Cell (IQAC)</b>
<b>Venue</b>	<b>Online Google Platform</b>
<b>Date &amp; Time</b>	<b>29.06.23 at 7:00 p.m. (Thursday)</b>
<b>Convener's</b>	<b>Dr. Pritam Das, Assist. Prof. &amp; IQAC coordinator of Tehatta Sadanand Mahavidyalaya</b>
<b>Resource Person (Specify the theme of the lecture)</b>	<b>Dr. Nabakumar Mandol, Professor and HOD of the Environmental Science department, The University of Burdwan.</b>
<b>Aims and objective</b>	<p>According to the World Health Organization, antibiotic resistance is one of the most significant threats to human health today. A growing number of infections, such as pneumonia, tuberculosis, and salmonellosis, are becoming more difficult to treat as the antibiotics used to treat them are becoming less effective. Antibiotic resistance results in longer hospital stays, higher medical costs, and increased mortality.</p> <p><u>Aims and Objectives:</u></p> <ul style="list-style-type: none"> <li>• To inform about the various types of pollution.</li> <li>• To make them conscious about the health issues of the living creatures.</li> <li>• To make sure about the reducing usage of the elements which are directly responsible for the environmental damage.</li> <li>• To inform them about the research of the scientists of different countries regarding emerging pollutants.</li> </ul>
<b>A brief Description of the Seminar</b>	The Education Department and IQAC recently organized a one-day state-level webinar on Emerging Pollutants. The event aimed to increase awareness among students on environmental issues. The webinar was held on 29th June 2023 at 7

P.M. via Google Meet. Dr. Pritam Das, HOD of the Education Department and IQAC Coordinator at Tehatta Sadananda Mahavidyalaya, was the convenor of the webinar. The welcome speech was given by Dr. Nilanjan De, Principal of Tehatta Sadananda Mahavidyalaya. The inauguration ceremony was done by Shri Pranab Roy, President of Tehatta Sadananda Mahavidyalaya, and an eminent social worker.

**Dr. Nabakumar Mandol, Professor and HOD of the Environmental Science department at the University of Burdwan,** was the main speaker of the program. During the first session, the speaker provided us with a concise overview of emerging pollutants and their impact on the environment. In the second session, he delved deeper into the different types of pollutants and how they contribute to the destruction of our planet. The final session was a Question-Answer session where the attendees had the opportunity to ask questions, and the speaker provided answers. In addition, the audience gave their feedback during this session.

**Outcome**

The audience received detailed information about emerging pollutants and their effects on our environment. They also became aware of how modern science is responsible for the significant loss of our beloved Mother Nature and how we need to make efforts to revive it. If we fail to show more consciousness towards this issue, it is highly likely that we will experience destruction soon.

<b>Resource Person (Specify the theme of the lecture)</b>	<b>Dr. Somnath Goswami, Lecturer and Special teacher, Vivekananda Mission Ashram Training Centre for the teachers of the visually impaired.</b>
<b>Aims and objective</b>	<p style="text-align: center;">To generate new knowledge.</p> <ul style="list-style-type: none"> <li>· To construct or create a new procedure or system.</li> <li>· To explore and analyse more general issues.</li> <li>· To help students understand the importance of brotherhood at social national and international levels.</li> <li>· To develop good manners, responsibility, and cooperativeness.</li> </ul>
<b>A brief Description of the Seminar</b>	<p>Research methodology refers to the way research can be conducted. It is also known as the process of collecting data for various research projects. Research methodology is the science of studying how research is conducted scientifically. Value education plays an important role in helping you make the right decisions in difficult situations by weighing the different influencing factors. Therefore, such training can significantly improve your decision-making abilities. The importance of values helps in overall character and personality development.</p>

The education department and IQAC organized a one-day state-level webinar on Research Methodology: Value Education Teaching on 30<sup>th</sup> June 2023 at 3 P. M. via Google Meet. The convenor of this webinar was Dr. Pritam Das, Assistant Professor in Education & IQAC Coordinator, Tehatta Sadananda Mahavidyalaya. The welcome speech was given by the chief patron Dr. Nilanjan De, Principal of Tehatta Sadananda Mahavidyalaya and inauguration ceremony done by the chairperson Shri Pranab Roy, President of Tehatta Sadananda Mahavidyalaya and Eminent social worker.

**Somnath Goswami, Lecturer and Special teacher, at Vivekananda Mission Ashram Training Centre for the teachers of the visually impaired**, was the main speaker of this program. He gave us a brief description of value education, its advantages, and its Methodology

**Outcome**

Through this programme, the students learn to promote broader capabilities, attitudes, and skills that matter not just in schools but also in life beyond schools, making the world a better place not just for themselves but also for their family, friends, colleagues, and others. It also prepares them for the world of work. By teaching important social and ethical values, value education builds character strengths like honesty, integrity, responsibility, empathy, perseverance etc.
