**The Annual Academic Report Prepared by IQAC, Tehatta Sadananda Mahavidyalaya**

## **1. Principal's Message**

It is the moral duty of a good institution to nurture and shape young minds to prepare them for their future. Tehatta Sadananda Mahavidyalaya ensures this by providing the students a suitable and amiable ambience where their inner potential gets enhanced. The college believes in a holistic development of students and to guarantee this, arranges for various allied programmes, seminars, co-curricular, cultural and sports activities to boost the confidence of the students and equip them to become competent individuals. The teaching and non-teaching staffs of the college forever remain ready to aid and guide the students in all their problems and create a student friendly environment where the learning process becomes an exciting and pleasurable activity for the learners. Educational tours and excursions are also organised to provide the students an exposure beyond the classroom and books. Add-on courses further help to develop their vocational skills. I congratulate the successful students and the entire team of TSM and wish them success for the future.

## **2. Vision Mission**

### **Our Vision**

To educate and empower the underprivileged youth of Tehatta and its neighbouring villages by providing value based quality education for their holistic development so as to enable them to transform the socio-economic fabric of the region into a lively and progressive one.

### **Our Mission**

- To encourage the youth belonging to economically backward and underprivileged communities to pursue higher studies.
- To encourage greater participation of female learners in the field of higher education for women empowerment.
- To develop a socially and economically inclusive academic ambience that is flexible to changing needs.
- To impart value based quality education and to unfold the potential and skills of the local youth to enable them to emerge as self reliant and competent individuals of the society.
- To promote an academic ambience that is free from gender discrimination and stereotypical social and racial prejudices.
- To enlighten young minds and help them to develop vocational skills and social awareness to provide opportunities of employment to students in the context of a changing world.
- To help the neighbouring areas in feasible ways to create a benevolent society free from all biases.
