1. Principal's Message

College is a place where we nurture young minds and prepare them for future career and so it becomes the responsibility of a good institute to provide proper opportunity, guidance and infrastructure to these young minds to impart them quality education and develop their skills. In Tehatta Sadananda Mahavidyalaya, every care is taken to ensure these criteria. Besides excellent teachers, we provide a holistic development to the students through various allied activities such as NSS activities and Community services, Cultural events and other important day celebrations. Sports activities are given special importance to keep them physically fit. Apart from regular curriculum, special add on courses are organised to aid the students enhance their vocational skills. The teachers and non-teaching faculty are readily available to the students to solve their problems and guide them in every possible manner and I congratulate the successful students and the entire team of TSM and wish them success for the future.

2. Vision and Mission

Our Vision

To educate and empower the underprivileged youth of Tehatta and its neighbouring villages by providing value based quality education for their holistic development so as to enable them to transform the socio-economic fabric of the region into a lively and progressive one.

Our Mission

- To encourage the youth belonging to economically backward and underprivileged communities to pursue higher studies.
- To encourage greater participation of female learners in the field of higher education for women empowerment.
- To develop a socially and economically inclusive academic ambience that is flexible to changing needs.
- To impart value based quality education and to unfold the potential and skills of the local youth to enable them to emerge as self reliant and competent individuals of the society.
- To promote an academic ambience that is free from gender discrimination and stereotypical social and racial prejudices.
- To enlighten young minds and help them to develop vocational skills and social awareness to provide opportunities of employment to students in the context of a changing world.
- To help the neighbouring areas in feasible ways to create a benevolent society free from all biases.
