Brief Description of the Awareness Programme	The NSS unit of T.S.M college organized various events for the session 2019-2020 such as Tree Plantation, “Save Water, Save Life” and De-plasticization. The Tree plantation Programme was inaugurated by our President and social worker Sri Pranab Roy and all volunteers and teaching and non-teaching staff involved in Tree plantation in the field. The aim of the programme was to plant 200 saplings in the college Campus. Banamhotsav and Aranya Week were organized. Barbed Wire put up around the college ground.
Outcomes	Gardening takes place in our college. Students actively participated. Students and people knew the importance of tree plantation for saving our society.

Brief Description of the Awareness Programme	Dengue prevention camp was held at Tehatta village on 10 th January 2020. Several awareness activities such as poster making, lift let were distributed among villagers. A huge number of villagers also came and attended the activities. The students, teachers and staff of the college participated in this awareness campaign. A procession of students with placards in hands circle the adopted village. After returning from village Anindya Mandal Asst. Prof. in Mathematics delivered a lecture on the dengue prevention policy in rural areas. All the students listened to his words and knew how to avoid dengue disease.
Outcomes	Students and Villagers get knowledge about the disease and how to prevent it.

Brief Description of the Awareness Programme	De-plasticization was organized for a weekend and the purpose of the programme was to educate the adopted villagers about the harmful effect of plastic on agriculture and many other fields. NSS Volunteers, teachers and all staff arrived in the village at 11:30 a.m. and villagers joined us in a road march. We distributed the paper made bag (thole) among the villagers and informed them about various bad effect of plastic in routine life. People support the activities and share their personal opinion. After returning from village NSS volunteers and others students cleaned the plastic object of college ground and pick it up in a paper made dustbin.
Outcomes	Thole bags were distributed amongst villagers to promote its use rather than plastic and polymer. Villagers also promised to use thole bags for daily marketing to decrease plastic use. They eagerly support us. Students acquired a brief knowledge of the harmful use of plastic
