A very humble inaugural session was conducted in the seminar hall in which the coordinator of IQAC Dr. Pritam Das explained in brief the purpose of the workshop. In the first session Dr. Sukanta Bhattacharya explained in details of the entire process of NAAC accreditation starting from registration of the HEI in the NAAC's portal to declaration of the result in the accreditation process by NAAC. In the second session the speaker explained in details about the Peer Team visit. He threw light on what the Peer Team wants to see and what the HEI needs to showcase before the Peer Team.

The last session was an open session where the speaker answered all the questions raised by the audience over the NAAC accreditation process.

### **Outcome**

During the NAAC visit, all participants were clear on what they needed to do. Each department showcased the work that they had already completed, and a progress report was submitted to the authority according to the criteria. Any problems were discussed and satisfactory answers were provided. The workshop was successfully conducted.
