Brief Description-

As we are going through a worldwide pandemic situation everyone is depressed in their own corner. This is a kind attempt to give some fresh air to the student. At scheduled time the programme was started. The T.I.C sir delivered his keynote very briefly. He also sang a song. Every teacher participated actively from their side. For the first time students have also taken part virtually. This was the first experience for the teachers also. Overall, the programme sent a message that in the age of isolation we are not alone. We are maintaining social distance, but we are united by mind. Rabindranath is the rescuer to all the negativities. On that happy note the programme was come to end.
