# Best Practices -I

## Title of the Practice

*“Save Nature for Safe Future”*

## Objectives of the Practice

In today’s world, environmental issues are a growing concern. No education is complete without an awareness of the importance and significance of environment in our daily lives. However rapid modernisation poses an alarming threat to environment. Therefore it becomes our moral duty to keep our environment safe and clean for a better tomorrow. As a part of best practice, the college chooses to protect and preserve our natural surroundings and inculcate the moral values among the students to encourage them to actively participate in preserving nature.

The main objectives are as follows:

- To nurture environmental awareness among the students.
- To explore and detect the possible causes of environmental degradation in the surrounding area.
- To promote, improve and monitor sustainable and efficient methods to maintain the green campus.
- To adopt initiatives and organise environmental awareness programmes to spread the message.
- To make our college campus a plastic free zone and adopt waste management processes.

## The Context:

Tehatta Sadananda Mahavidyalaya is situated among green fields in the remote village of Tehatta in Kalna Block-2 division. Although unlike urban areas, Tehatta is not exposed to industrial wastes yet a lack of awareness among the local villagers is seen when it comes to disposal of wastes. Moreover, being a rural area, Tehatta does not have a proper drainage system. Solid waste and plastic disposal are also not properly done by the surrounding people. Hence the practice becomes relevant in the given context because it becomes essential to sensitize and involve the students and local people on environmental awareness and its protection.

## The Practice

Our best practice is executed in two different ways –

### **1) Activities to ensure protection of environment-**

- Seminars and workshops conducted on specific days like World Environmental day, Earth Day etc.
- To involve students, teachers, and staff members of the college in Tree Plantation programme.

- Field trips conducted by the geography department.
- Various community activities undertaken by NSS.

## 2) To hold regular awareness programmes and campaigns to alert people about threats to environment-

- Participating in the environmental fair organised by the Govt of West Bengal and spreading awareness about the conservation of environment through exhibitions.
- Lectures and talks on important issues like Water Preservation, De- Plasticization, Nature Preservation.

### Evidence of Success

Sl No	Programme Name	Programme Number
1	Seminar and Workshops on Environment	2
2	Tree plantation Programme	2
3	Community Activities By NSS	5
4	Water and Nature Preservation Programme	3
5	Field Trips	2
6	Environmental Fair Exhibition	1

### Problems Encountered and Resources Required

- Problems Encountered: While implementing and executing the programmes, the most difficult problem faced was to urge people to come and participate in the awareness programmes. It was difficult to make them understand the importance of maintaining a hygienic environment which significantly contributes towards the preservation of healthy nature.
- Resources Required: Lack of interest among the rural people can only be mitigated by spreading literacy and education among them and by making them more aware through community workshops and public campaigns.

**DEPARTMENTAL SEMINAR**  
**Environmental Education**

**Main Speaker**  
**Prof. Dr Niranjan Mondal**  
**Principal**  
**Burdwan Raj College**

**Date & Time**  
 26th July, 2019, Friday  
 at 11 am  
**Venue**  
 Room No. 206 (Smart Class  
 Room) of Main Building

**President**  
 Shri Pranab Roy  
 Eminent Social Worker

## De-plasticization Campaign by the Volunteers of NSS Unit (11.02.2020)

Thole bags were distributed amongst villagers to promote its use rather than plastic and polymer. Villagers also promised to use homemade bag for daily marketing to decrease the use of plastic. They eagerly support us. Students acquired a brief knowledge of the harmful use of plastic.

The poster is titled "De-Plasticization Programme" and is set against a light blue background with a decorative border. It features two circular logos: the left one for "TEHATTA SADANANDA MAHAVIDYALAYA" and the right one for "NATIONAL SERVICE SCHEME". The text on the poster includes the date "11.02.2020" and time "11:00" in a purple speech bubble, the name of the "Chief Patron" Dr. Banibrata Goswami, and the organizing body "National Service Scheme (NSS Unit-1) TEHATTA SADNANDA MAHAVIDYALAYA".

Session 2021-2022

Tree Plantation by Honorable MLA & other important persons on Independence Day 2021

**World Earth Day Celebration (22.04.2022) was organized by Geography Department of the college. Various important lectures were delivered about the present condition of our earth followed by a tree plantation program in the college courtyard.**

**THE IDEA BEHIND**

- By the end of 1970, the first Earth Day led to the creation of the United States Environmental Protection Agency. Earth Day 1990 gave a huge boost to recycling efforts worldwide and helped pave the way for the 1992 United Nations Earth Summit in Rio de Janeiro. It also prompted President Bill Clinton to award Senator Nelson the Presidential Medal of Freedom — the highest honor given to civilians in the United States — for his role as Earth Day founder.

**ONLY ONE EARTH**  
Celebrating EARTH DAY, 22 April, 2022

This college has an active ECO club that organizes various environmental awareness programs. This club arranged National Endangered Species Day on 19<sup>th</sup> may 2023. The main objective of the event was to create awareness among the students about endangered animals. At the end of this program all the participants joined tree plantation.

### Endangered Species

An endangered species is a type of organism that is threatened by extinction. Species become endangered for two main reasons: loss of habitat and loss of genetic variation.

### IUCN Endangered Species Categories

- Data Deficient (DD)
- Least Concern (LC)
- Near Threatened (NT)
- Vulnerable (VU)
- Endangered (EN)
- Critically Endangered (CR)
- Extinct In The Wild (EW)
- Extinct (EX)

CELEBRATING BY

## Eco CLUB

19th May, 2023, Friday at 11:30am  
Venue - Mahatma Gandhi Hall

*Basundhara*

**TEHATTA SADANANDA MAHAVIDYALAYA**

Tehatta, Purba Bardhaman - 713122

### Aims and objectives of Eco Club

- ★ To remind all about their responsibility towards nature.
- ★ To create green environment consciousness on the college campus and outside.
- ★ To awaken people to conserve and preserve the environment.
- ★ To motivate all for a clean surrounding.
- ★ To promote people about water conservation.
- ★ To promote plantation on the campus and outside.
- ★ To motivate people to generate the least waste and manage them.
- ★ To awaken energy conservation and promotion of renewable energy properly.
- ★ To promote about reuse and recycling of resources.
- ★ To improve community health.
- ★ To create awareness about biodiversity and its conservation.
- ★ To make 'No Plastic zone' campus.
- ★ To create an eco-friendly "Green Campus".
- ★ To perform various programs related to environmental issues within and outside of the campus

World Environment Day was celebrated via online platform on 5<sup>th</sup> June 2023. This Program was organized by NSS Unit of this college in collaboration with ECO Club of TSM. The Main Speaker of the program was **Mr Rashbihari Garain**, State Aided College Teacher (Category -1) & NSS Program Officer, Department of Geography, Krishna Chandra College Hetampur, Birbhumi.

## "Mission LiFE" Campaign

### Quiz Competition on Environment Day

The Link of quiz will be opened from **10am to 4 pm on 4th June, 2023**. All Students of our college can participate in this quiz. There are **15 Multiple choice questions** on Environment. The questions will be in **Bengali Language**. All are compulsory.

Participants will get only **25 Minutes** after opening the link. The participants who can answer the most questions correctly in the fastest time will be awarded. The results will be declared in the main program of **5th June**.

Link -

<https://quizzory.in/id/647ae360745be02b0456e58a> (4th June - 10 am to 4pm)

### Handmade Poster Competition on Environment

Students can also participate in a handmade poster competition. The **subject** of the poster must be **Environment**. Students have to make their posters in **A4 size paper**. They have to mention their **name, college roll number & current semester** in their posters. After creating their posters students need to scan it and send it to this Whatsapp Number - **7430871600**

## Water Conservation

Water is a natural resource that plays a vital role in the survival and sustenance of all life forms on Earth. Having access to fresh and clean water is crucial for public health. To ensure the uninterrupted supply of clean water to sustain life, water conservation is essential. It involves the practice of using water efficiently to reduce unnecessary water usage. Understanding the imperative importance of water and the need to conserve it, Tehatta Sadananda Mahavidyalaya has adopted a multi-faceted approach towards water conservation. The initiative is practically implemented in the following two ways-

- By rainwater harvesting
- By ground water recharge

The college has adopted methods to collect rain water and re-direct it to reservoirs to store them for different purposes like watering the campus potted plants and cleaning the campus. A soak pit is also created to recharge ground water. Through these initiatives, the college aims to reduce unnecessary water wastage, enhance water availability, reduce dependency on conventional sources of water and remain equipped for unforeseen situations of water crisis.

## Different types of Waste Management

Tehatta Sadananda Mahavidyalaya acknowledges the prime responsibility of every citizen to promote and contribute towards environmental sustainability and reduce carbon footprint. The college has adopted and implemented several measures towards this aim. Some of them are:

- Waste reduction
- Separating waste into bio-degradable and non-biodegradable categories
- Promoting the use of reusable products
- Promoting a plastic free and smoke free zone
- Promoting sustainable and eco-friendly modes of transportation

The college has adopted several measures to minimise the production of waste like paper, plastic, glass and other such materials. This is ensured by encouraging paperless office work and circulating e-notices to minimise environmental impact. Proper waste paper bins are also installed and students and staff are encouraged to use them for proper disposal.

The college takes appropriate measures to segregate wastes into bio-degradable and non-bio degradable categories. The bio-degradable wastes are then transferred to the compost pit and they are transformed into nutrient rich compost. It is then utilised in enriching the soil for gardening purposes thereby also reducing the use of chemical fertilizers. By adopting such vermin compost methods, we not only economically dispose the bio-degradable waste but also contribute to soil health and contribute to environmental conservation. The non-biodegradable wastes are collected by the local Panchayat as part of an agreement between the Panchayat and the college. Similarly the e-wastes are collected from all over the campus and are kept separately for proper disposal.

The college has encouraged the use of porcelain and terracotta cutlery to minimise the use of single use plastic products. The college also conducts awareness programmes with the aim of reducing plastic waste generation and promote a culture of sustainability among students and staff.

Students and staff members are also encouraged to use eco-friendly modes of transportation to reduce carbon emissions which includes using electric scootys, Totos (e-rickshaws), bicycles and walking. This helps in reducing air pollution and greenhouse emissions associated with conventional modes of transportation.

## The Green Campus Policy

The Green Campus Policy of the college foresees a clean sustainable green campus where environmental friendly practices and education are enriching the environmental ethics amongst the students and staff of the college. Environmental ethics oppose the anthropocentric and theocentric view of environment. It promotes the insights that value human being only when his action is not harming the environment.

### Scope

- The main focus of the college to establish itself a pivot of environmental teaching and learning
- It focuses on developing rational beings who can act wisely, logically giving utmost importance to the intrinsic value of the nature and environment.
- The college would behave responsibly towards its own campus along its benevolent environment that encompasses us.

### Objectives

- Following are the major objectives to fulfill the scope of the policy.
- Some major initiatives to be taken like- clean campus initiatives, land use and land cover initiatives, clean air initiatives
- Infrastructural development related initiatives are to be taken like- installation of solar power plant, use of energy efficiency equipment, water conservation through rainwater harvesting system.

- Draw modification and innovation in waste management processes considering solid, liquid and E-waste.
- Organizing awareness program to make environmentally educated students and staff.
- Initiatives like- green audit, energy audit every year to be done.
- Making a plastic free campus is one of the prime targets.

### **Initiatives taken by the institution**

#### **➤ Clean campus initiatives**

- The college has done various activities under ‘Swachh Bharat Abhiyan’ organized by NSS like- village survey and village cleaning programme, deplasticisation programme, college cartyard cleaning programme, gram swachhata abhiyan, conservation and monitoring of the waterbodies, sustainable biodiversity programme.
- Events such as poster and slogan competitions, essay writing, spoken word poetry, speeches on ‘Swachh Bharat’ have been organised.
- Rallies have been organized on themes connected with ‘Swachh Bharat Abhiyan’ in and around the college campus will be conducted to create mass awareness.
- A periodical cleaning programe on removal of broken infrastructures and waste have been organized several times.

#### **➤ Land use and land cover initiatives**

- A college campus map has been prepared and displayed in various points of the college to direct students and staff about the green campus zone and other demarcated area.
- Students were encouraged to plant trees in tree plantation programme.
- Every department has adopted a plant given by the Eco Club of the college.
- Clean Air Initiatives
- Under this section the college has declared itself as a smoke free campus.
- The college has strictly prohibited establishment of industries at the 500 meter surrounding of the campus.

### ➤ **Infrastructural Initiatives**

- Introducing renewable energy resource like- rainwater harvesting was a major step towards maintaining sustainable use of energy.
- The institution has adopted measures to use renewable energy and has replaced all the tube lights with light emitting diode (LED) tubes. The LED tube lights significantly reduce your energy use since LED bulbs are 90% more efficient and cost effective.

### ➤ **Waste Management Processes**

- With its aim to provide holistic education to the young learners that will have positive impact on the environment, the college will adopt the following methods-
- The college has promoted the 3R policies to maintaining an sustainable green campus, i.e- Reduce, Reuse and Recycle policy.
- The solid waste are being collected by the college and given to scrap dealer for recycle.

## Best Practices -II

### Title of the Practice

*“Nurturing Inner Strength and Values”*

### Objectives of the Practice

True education does not comprise only of bookish knowledge and classroom teaching. For a holistic development and an overall understanding of life, inculcating moral values and implementing them in our daily practical lives becomes essential. Keeping this aspect in mind, the college has chosen to ingrain moral principles and promote value-based education among the students as a best practice. The main objectives of this practice are as follows-

- To promote feelings of unity, equality, tolerance, harmony and justice among the students
- To make the students aware about the human and constitutional rights
- To enlighten the young minds and encourage them to promote truth, honesty and integrity through various community outreach programmes.

### The Context

Education without social commitment is nothing. Everywhere in the world and in India also, the true essence of education is reflected in our daily social lives and practices. Through this Practice the institution hopes to provide a platform for the young minds to enlighten and enrich themselves by getting exposed to the moral and value-based teachings. It envisages the growth of socially conscious students, staff and other stakeholders, the development of the institution along with improving the essence of life of the people in the society through various activities like personal health and hygiene, literacy programme, promoting entrepreneurship, gender equality programme etc. Being a rural and economically backward area, such a practice becomes relevant not only to spread awareness but also to make the rural people feel more confident and self-reliant about themselves. It also makes them aware of their constitutional rights as Indian citizens.

### The Practice

The college executes this practice in the following ways-

#### **1. By observing specific days and importance of National events.**

- Independence Day Celebration.
- Constitution Day
- Republic Day
- Azadi ka Amrit Mahotsav: Har Ghar Tiranga Campaign.

## 2. By organising various social outreach programmes

- Red Ribbon Club spreading awareness about AIDS and Thalassemia
- Safe Drive Save Life
- Literacy Campaign and Village Survey
- Women's Safety and Self-Defence Programme
- Village Cleaning Programme
- Cleaning the courtyard of the college

## 1. By organising programmes celebrating the cultural diversity and multiple ethnicities.

- Celebration of Birsa Munda Birthday
- Celebration of International Mother Language Day
- Celebration of B.R. Ambedkar Birthday

## 2. By organising inter college quiz and poster competitions.

- Poster Competition organised on Constitution Day
- Quiz Competition by YPC.
- Youth Parliament Competition

### **The Evidence of Success**

Sl No	Programme Name	Number
1	Specific Days and national Events Celebration	32
2	Community outreach Programme	26
3	Cultural diversity Programme	7
4	Quiz Competitions and programmes on value-based education	7

### **Problem Encountered and Resources Required**

#### ➤ Problem Encountered

Since most of the students of the college come from economically backward sections of the society and are often the first generation learners, it still remains a challenge to ensure 100% awareness among them. Also, the lack of proper infrastructure of the college sometimes poses a problem in the smooth conduction of the various awareness programmes and competitions.

#### ➤ Resources Required:

The infrastructure of the college needs to be upgraded and more time is required to convince and spread the necessary awareness among the students.

On the occasion of *Azadi Ka Amrit Mahotsav*, 75 years of Indian Independence, all the NSS volunteers and the students of the *Tehatta Sadananda Mahavidyalaya* are requested to participate in the following events:

- Awareness campaign and seminar regarding "*Har Ghar Tiranga*" on 10.08.22 (Seminar Hall)
- Pin Tirangana through *harghartiranga.com* and share the certificate on the NSS WhatsApp group or Scan the barcode to open the website 
- Upload your image with Tiranga through *harghartiranga.com* or Scan the barcode to open the website. 
- Handmade and Digital Poster making competition on the theme of "*Har Ghar Tiranga*."

Interested participants are requested to design either handmade or digital posters on the said theme and submit them using the following link within 13.08.22:

[https://docs.google.com/forms/d/e/1FAIpQLSdv6wi2q5nXQuKZ8CBLJLNec2hgRtXS9fO34sJPaXRElgOw/newform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSdv6wi2q5nXQuKZ8CBLJLNec2hgRtXS9fO34sJPaXRElgOw/newform?usp=sf_link)

- Visit 10 houses in your locality and promote awareness regarding "*Har Ghar Tiranga*" (Ask them to display the national flag at their home and click pictures with them).

### সাবধানে চালান, জীবন বাঁচান পথসুরক্ষার অঙ্গীকার

১. বেপরোয়া ভাবে অতিরিক্ত গতিতে গাড়ী চালানো না, গাড়ীর নিয়ন্ত্রন সম্পর্কে সাবধান থাকবো। গাড়ী চালানোর সময় সীটবেল্ট বাঁধবো।
  ২. বৈধ লাইসেন্স নিয়ে গাড়ী চালানো, অতিরিক্ত মাল এবং যাত্রী পরিবহন করবো না।
  ৩. গাড়ী চালানোর সময় অথবা হেঁটে পথ চলার সময় মোবাইল ফোন ব্যবহার করবো না।
  ৪. মোটর সাইকেল চালানোর সময় নিজের নিরাপত্তার কারণে হেলমেট ব্যবহার করবো। আরোহী হিসাবেও অবশ্যই হেলমেট ব্যবহার করবো।
  ৫. ট্রাফিক সিগনাল মেনে গাড়ী চালানো এবং অপরকে সিগনাল মান্য করে চলতে অনুরোধ করবো।
  ৬. হেঁটে পথ চলার সময় রাস্তার বামদিক দিয়ে চলবো। পাকা সড়কে ফুটপাথ ব্যবহার করবো। রাস্তা পারাপারের সময় জেব্রা ক্রসিং ব্যবহার করবো। অন্যথায় ডানদিক - বামদিক - ডানদিক ভাল করে দেখে সাবধানতার সঙ্গে রাস্তা পারাপার করবো। বাচ্চাদের সঙ্গে নিয়ে পারাপার করার সময় বিশেষ ভাবে সতর্ক থাকবো।
  ৭. রেলগেট বন্ধ থাকাকালীন পারাপার করবো না এবং অন্যদেরকে বন্ধ রেলগেটের নীচ দিয়ে পারাপার না করতে অনুরোধ করবো। সঠিক ও বৈধ পারাপারের সময়ের জন্য অপেক্ষা করবো।
- এই পথ সুরক্ষা সপ্তাহে আমরা অঙ্গীকার করছি যে, সারা বছর পথচলা ও গাড়ী চালানো সংক্রান্ত প্রতিটি ট্রাফিক আইন মেনে চলবো। সাবধানতার সঙ্গে ট্রাফিক সিগনাল দেখে চলাচল করবো। সুশৃঙ্খল ট্রাফিক আইন প্রনয়নে প্রশাসনকে সব রকম সহযোগিতা করবো। নিজের এলাকা, এই রাজ্য তথা এই দেশ দুর্ঘটনা মুক্ত করে তুলবো।
